

## Third Annual Walk to Honor Our Fallen Workers

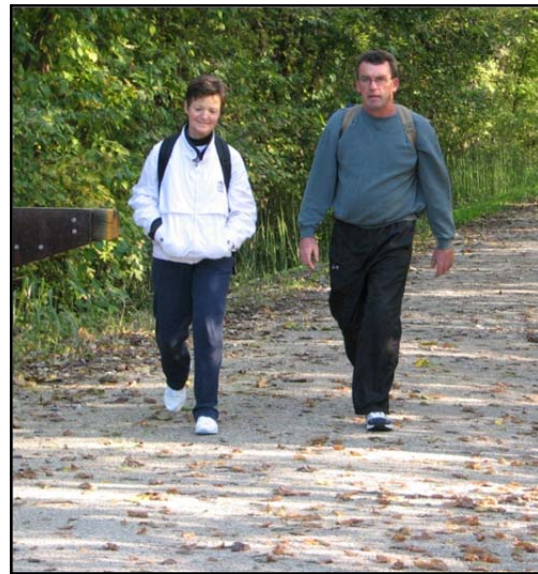

Jim Feeney, Maintenance Crew Leader at Weldon Spring and his wife, Theo, are planning to walk the Katy Trail this year to raise money for the construction of the **Fallen Workers Memorial** in Jefferson City. This will be the third year that Jim and Theo will make this walk and this year they plan to go even farther than before.

The walk begins in St. Charles on **Friday, October 7** and ends in Jefferson City on **Tuesday, October 11**. The walk covers 104 miles. The walk is sponsored by the **Missouri Transportation Employees Association** and members of the Mid-Missouri community and members of the MoDOT family have graciously offered their homes to the Feeneys on their journey.

Jim and Theo welcome anyone who would like to walk with them for part of the way to honor our fellow workers who have given their lives to keep others safe. This year the Feeneys will be making the following stops:

October 7- Matson  
October 8- Treloar  
October 9- Rhineland  
October 10- Mokane  
October 11- Jefferson City
